Dear Travelers/Trekkers!

We are Volunteers that collect your unwanted clothing, medicines, books and other items at the end of your journey. Really, anything of value that can help **Disability Rehabilitation Centre** in Kathmandu and Sunsari.

Of Course, cash donation is also welcome!

As we are a non-profit organization, everything we collect, ends up in the hands of the disabled those that need it most.

Here are a few ways by which you can support our work.

- ☛ Become a sponsor of particular Disabled people and receive regular reports on his/her Progress.
- ☛ Tell your friends about our organization. Make suggestions how can we better do our work.
- ☛ Become a Our volunteer.

So please give a little or as much as you can. Thank you so much for whatever you can offer.
